

From the Director...

December is here and 2018 is almost behind us.

I am sure that you are busy getting ready for the Christmas season and making your plans and Christmas lists.

Over the last year people have asked me to let them know specific items the camp needs, so I asked my staff to make a "wish list" for their different departments which you can find below.

Despite the rainy and cold November, the Poplar section is on track and we were able to work on the electrical in the semi-service section as well. The pool has been sandblasted and is ready for spring. The dining hall roof is completed and new dining hall chairs have been donated!
PRAISE THE LORD!

Now with the cold weather we will turn our attention to some indoor projects. Keep watching for more updates, events and camp information in the new year.

Just a reminder that the office will be closed between December 24th until January 2nd.

We will still be on the grounds and can be reached by phone: 519-209-1699 or [email](#) if needed!

From my family and the Braeside staff we wish you and your family a Merry Christmas!

-Mark

There is still time to buy some Braeside Merch for Christmas!

Check out the sale prices and order by Dec 14th to have it shipped in time for Christmas.

Give the gift of camp to your child or grandchild this Christmas!

You will pay 2018 camp prices AND receive a gift certificate in a camp water bottle for under the tree!

**Day Camp - \$199.00
Kids Camp - \$275.00
Jr. High Camp - \$175.00**

Christmas Tree Wish List

We asked our staff what items they need for their different departments and like our children their wish list ranged for a \$10 plunger (I think we can all agree we are willing to get Carrie whatever plunger she needs) to Sam's very practical kitchen utensils, to a \$60,000 Bobcat (dream big Gord)

We had fun making the list. If there is an item you would like to bless the camp with this christmas, you can contact the office by [email](#) or phone to donate the money towards your gift, or get more details.

We will even wrap it for the staff to open. (Mark is willing to wrap the bobcat personally lol!)
