

From the Director...

November has welcomed us with two straight days of rain, but we are still moving ahead with our fall projects. The roof to the dining hall is almost completed and the Poplar section is on track! The pool has been sandblasted and is ready for painting to prepare it for next summer.

THANKS to everyone who helped with clean up day and has volunteered this fall to help around the camp.

A SPECIAL THANKS also to Cora Taylor who cooked the turkeys for our Thanksgiving Dinner. We had over 150 people celebrate with us and raised \$3000 for our single mom's camp.

Just a reminder that the season has come to a close for leaseholders and the water has been shut off. If you come on the property, you must check in with the office so that we are aware you are on the grounds and no overnight stays are permitted.

It has been a great camp season!
Keep watching for new events, news and details regarding Summer 2019

RENEW was so much fun! We were able to bless 30 moms and their children and with an awesome weekend.

EVERY age group was blessed with amazing leaders and teaching. As well, we were able to partner with "The Goodness Project" and send the ladies (and their daughters) home with winter coats and clothing from Aritzia that they were able to choose from in a free "store" we were able to set up in the homestead cottage.

The ladies were also blessed with groceries, gift cards, brand new bibles and many received home made quilts.

I wish I had time to share all the testimonies that have come out of this weekend.

Our staff went above and beyond making sure the women felt loved and cared for. From decorating the dining hall and the amazing food, to preparing the rooms, welcome gift bags and much more!

THANK YOU to everyone that played a part for your generosity and support to make this a very special weekend for so many families!
